A+ Book Fairs offers a wide selection of books in a case-delivered fair for preschool, elementary and middle schools. Our titles include accelerated readers, popular series, award winners and other great books from leading children's publishers, including Random House, Penguin, HarperCollins, Hachette and Scholastic. Our book fairs are designed with age-appropriate books and book fair items to appeal to teachers, students and their parents. Our inventory includes a diverse selection of paperback and hard cover editions of fiction and non-fiction titles. Upon delivery we help you set up the fair! Then, the school librarian or parent volunteers run the fair to earn books or cash profit for their school library. We offer three different profit options: book profit; cash and book profit combination; and, buy one, get one free. Our strong commitment to customer service includes hand-delivered reorders. And our experienced staff members are available to assist you throughout your fair! For schools outside our delivery area in Utah, we offer a boxed fair that is shipped to the school. Contact us for more details and to reserve your book fair dates! aplusbookfairs.com
