Spring 2020 Webinar Series

Diverse Books for the K-12 Classroom
February–June 2020 • All webinars are 7–8pm EST

Once a month, the World Area Book Awards (Américas Award, Africana Book Award, Freeman Book Award, Middle East Book Award, and the South Asia Book Award) will sponsor a 60-minute webinar on a book recognized by one of the awards.

Each webinar will feature a presentation by an award-winning author with discussion on how to incorporate multicultural literature into the classroom. Please read along with us this spring as we explore the world through these award-winning books. We encourage all readers to join in on the conversations each month and ask the author your own questions live.

Be sure to join the conversation with our webinar hashtag **#2020ReadingAcrossCultures**. Visit **<https://internationalizingsocialstudies.blog>** or scan the QRcode to the right for more info.
