

President's Message

In order to better meet the needs of educators across Utah, UCET and UELMA are combining into a single conference at the Salt Palace on March 19th-20th, 2024. We hope this will provide more expansive professional development and engagement for our educators. We are excited to partner with our colleagues in collaborative efforts to meet the needs of all Utah's learners.

Our merger allows us to provide high quality speakers, experiences, and professional development to any Utah educator. All educators will be able to engage with UELMA's and UCET's speakers and content throughout the two-day conference.

We're excited to see how the combined strengths of these groups will enhance our learning spaces, spark new collaborations, and inspire our students to reach even greater heights. We can't wait to embark on this journey together!

Looking forward to seeing you at UCET/UELMA24!
